What is Joycare?

Joycare Pediatric Day Health Center is a Prescribed Pediatric Extended Care Centers (PPECC) providing the children of Houston, TX a place to go when they need excellent medical attention and daycare services. We offer a unique blend of expertise and patient-centered care for medically-fragile pediatric patients. Joycare's team provides for the special medical and/or technological needs of children 6 weeks to 20 years old while delivering quality care in a therapeutic environment with enriching programming. At the same time, parents and other primary caregivers get a much-needed rest and gain the ability to manage other aspects of their lives.

Our Care Team

We have a wide range of medical professionals on staff to offer essential health-centered services. Experienced healthcare professionals such as Registered Nurses (RNs), Licensed Vocational Nurses (LVNs), Physical Therapists (PTs), Speech Language Pathologists (SLPs), Occupational Therapists (OTs) and Certified Nurse Assistants (CNAs) or Direct Care Staff are here to attend to your child's special needs.

Insurance Accepted

Joycare offers PPECC services to patients with a variety of healthcare plans, including the below:

- Medicaid
- Amerigroup
- Molina
- Community Health Choice
- Texas Children's Health Plan
- The CHSCN Program
- Aetna
- BCBS
- Cigna
- United

Conditions Served

Joycare Pediatric Day Health Center covers medically and technology dependent children who receive a prescription from their physician for skilled nursing services. Common conditions of children who qualify for PPECC services include:

- Respiratory Diseases / Disorders
- Gastrointestinal Disorders
- IV Therapies
- Transplant Patients
- Gastrostomies
- Neurological Disorders
- Chromosomal Abnormalities
- Cardiac Anomalies
- Endocrine Diseases / Disorders
- Quadriplegic / Paraplegic

- Arthrogryposis Multiplex Congenita
- Pierre Robin Sequencing
- Mitochondrial Disease
- Cystic Fibrosis
- Cerebral Palsy
- Palliative Care

Does My Child Qualify?

To qualify for PPECC services, children must (a) be medically complex or fragile and/or technologically dependent; (b) have approval from his/her doctor; (c) be medically stable; (d) be appropriate for outpatient care; (e) require skilled nursing care; and (d) present no significant risk of infection to other children or staff.

Become A Patient - “C.A.R.E.”
