What is Joycare?

Joycare Pediatric Day Health Center is a Prescribed Pediatric Extended Care Center (PPECC) in Houston that offers an Advanced Day Program for medically fragile or complex kids 6 weeks to 20 yrs. old. We provide skilled nursing care, an enrichment program, and medical therapies in one location. We are devoted to

providing exceptional health care in a loving & compassionate environment. Our Team consists of Registered Nurses (RNs), Licensed Vocational Nurses (LVNs), Speech/Physical/Occupational Therapists, Music/Sign Language Instructors, and Certified Nurse Assistants (CNAs).

Why Joycare?

- As a Pediatric facility, we can enforce more supervision compared to home health services.
- Every child enrolled is assigned a R.N. and a L.V.N.
- We have a Medical Director who is on call for emergencies and a Nursing Director who supervises the clinical staff daily.
- Studies show that children enrolled in PPECCs have a much lower medical condition severity and a higher quality of life (vs. P.D.N)
- Our unique program allows parents to rest, manage their work schedule, and other aspects of their lives effectively.
